

# Multi-Colored Power Cords

## No More Mess

Get rid of that confusing “black power cord mess”. UNC’s line of multi colored power cables can help you identify devices with or without redundant power. Using exact lengths, these soft, flexible cables are resistant to kinking and take up less space in your cabinet. Designed specifically for data center and lab environments. UNC’s power cables are UL certified, RoHS compliant and rated to 250V. Whether using as a replacement for overused cables or a new installation, UNC’s power cables feature a fully molded design that provides maximum durability and are backed by a Lifetime Gaurantee.
